GUIDELINES FOR WRITING A PAPER IN INDONESIAN MINING JOURNAL (IMJ)

GENERAL PRINCIPLES

1. The original paper which is written properly in English will be considered for publication and is not simultaneously been published to any other publications. Send the paper in the forms of the electronic file, soft copy to the Editorial Board of the journal: http://jurnal.tekmira.esdm.go.id/index.php/imj
   e-mail: imjjournal@gmail.com; publikasitekmira@yahoo.com
   The paper is very helpful in the editing process.

2. The paper is reviewed and edited by minimal two scientific reviewers and one English linguist in accordance with the prevailing regulations.

3. The editors will select and inform the author(s), whether the manuscript is accepted or rejected for the publication. The editors have a full right to discard the paper that is not qualified as a scientific manuscript according to the guidelines and the editors do not have obligation to send back the paper to the author.

4. The editors are not responsible for the manuscript content. Responsibility is fully under the author.

5. Figures, photographs and tables must have a clear title. The photograph is clear and ready to be printed and not in the form of a negative film. The map has a maximum size of an A4-paper, with a scale and north direction.

6. The number of pages is unlimited; however, it is suggested not more than 15 pages.

7. Offprint is available for the author(s) prior to being published.
